## Gratitude

A full-hearted thank you to the  
booster club for purchasing the  
frames for [The Immigration Series](#)  
created by the current 5th graders.  
We hope many families will have  
the opportunity to visit Laura's  
Library and see how this gift was  
put to great use. The frames are  
stunning and really complete the  
student's art work.
