## Gratitude...

On behalf of all VVE Staff, we'd like to send a wholehearted thank you to all of our thoughtful, generous and hospitable parents. You make us feel appreciated, not only during Staff Appreciation week, but throughout the entire school year! Your tremendous support and precious children warm our hearts daily!

## Did you know...

Valley View's **Kindergarten Circus** started in a single classroom 33 years ago! Judy Johnson had the first circus in her classroom in 1984! Within a few years, all kinder classes had joined in the fun and the *grand performance* had moved to the cafeteria stage. Jana Bolles, one of the original teachers, will be participating in her **31st** Kindergarten Circus tomorrow morning!
